Course Substitution for
Aston University, UK
(All courses taught in ENGLISH)

Please note that MOST courses at Aston University are only 2.5 units. Students who participate in this program must take additional compensatory units to fulfill the required units in the major OR students can take some of the courses listed as 5 units to compensate for the unit deficiency.

- All courses listed in BLACK INK have ALREADY been approved by both the College of Business and the Undergraduate Division. Those listed as PROPOSED in BLUE INK still need to be petitioned. Please see CBA Study Abroad Advisor for more details on how to petition these courses.
- Please note that students maybe place at graduate level courses. This will be fine. The bachelors degree is only 3 years and the 4th year, their masters’ level courses, are equivalent to our 4th yrs in the bachelors degree. So students can take master level courses at this university instead of bachelor’s courses.
- Course availability is subject to change every semester. Before your departure, check course availability at this university's web site.
- PLEASE NOTE THAT SOME COURSE WILL FINISH AT THE END OF DECEMBER AND OTHER IN LATE JANUARY please check these list of “EARLY LEAVE” to learn which courses are so you can plan accordingly.

PLEASE NOTE THAT STUDENTS CAN TAKE A MAXIMUM OF SIX UNITS OF LOWER DIVISION
