

Course Substitution for
KEDGE, Business School, Marseille, France
 (All courses taught in ENGLISH)

**Please note that the courses of (1) Intercultural Management; and (2) Ethics and International Management will count ONLY in one area of study. In other words, these courses DO NOT fulfill both, General Education and courses in the major. Student MUST choose to fulfill one of these two requirements.

Please note that all courses at KEDGE are only 2.5 units. Students who participate in this program must take additional compensatory units to fulfill the required units in the major.

- All courses listed in **BLACK INK** have **ALREADY** been approved by both the College of Business and the Undergraduate Division. Those listed as **PROPOSED** in **BLUE INK** still need to be petitioned. Please see CBA Study Abroad Advisor for more details on how to petition these courses.
- Please note that students maybe place at graduate level courses. This will be fine. The bachelors degree in France is only 3 years and the 4th year, their masters' level courses, are equivalent to our 4th years in the bachelors degree. So students can take master level courses at this university instead of bachelor's courses. **HOWEVER, please note that students may NOT BE ENROLLED IN BOTH, GRADUATE LEVEL AND UNDERGRATUE LEVEL. ONLY ON ONE LEVEL**
- **Course availability is subject to change every semester. Before your departure, check course availability at this university's web site.**

PLEASE NOTE THAT KEDGE HAVE CHANGED THEIR PROGRAM OVER THE YEARS AND NO LONGER HAVE SOME OF THE COURSES LISTED BEFORE. FOR THIS REASON, WE HAVE DEVELOPED A NEW UP-TO-DATE COURSE ARTICULATION WITH THE COURSES AVAILABE DURING ACADEMIC YEAR 2016-17
