

### **In which type of program should I enroll while I am at Euromed?**

Please note that international students with Bachelor level can take some courses within the 3 programmes that Euromed Marseille offers: ESC, PMF and Cesemed during their exchange programme at Euromed.

Indeed, Euromed Management offers 3 different Bachelor programmes as follows:

- "CeseMED programme": a 4-year programme which is mainly taught in English. French students do enter in this programme directly after being graduated from their Baccalaureat.
- The "PMF programme": 3-year programme focused on Finance field, taught only in French.
- ESC: 1-year programme. French students enter in ESC after 2 years of post secondary education and continue with a 4th and 5th year within the Master ESC (Master of Science in management). Some courses are taught in English.
